

I-SPY MYSTERY QUILT CHALLENGE

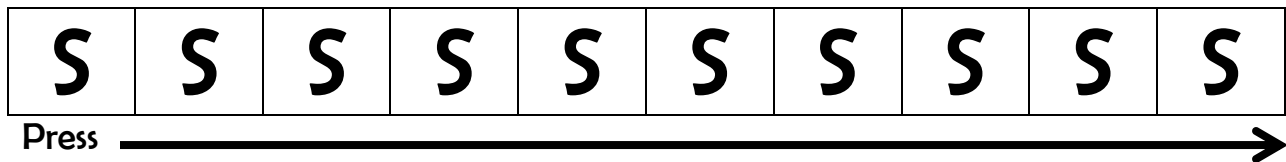

You will be given a package of I-spy fabric and directions for the first row of the quilt. Once you have completed the first row, then come to the table to get each next row. There are 10 rows in the quilt. After you have completed the last row of the quilt, come to the table to get the directions on how to assemble the quilt. When done, stand up and show everyone. The first one completed will win a prize. There will be an I-spy applique if you would like to put it one of the borders.

ROW 1

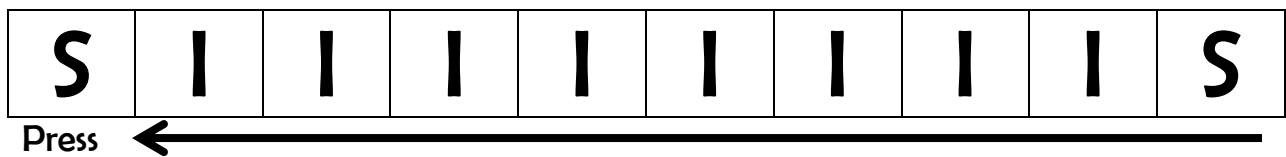

Use the following key for all the rows. Sew the blocks together to form a row.

S = solid fabric

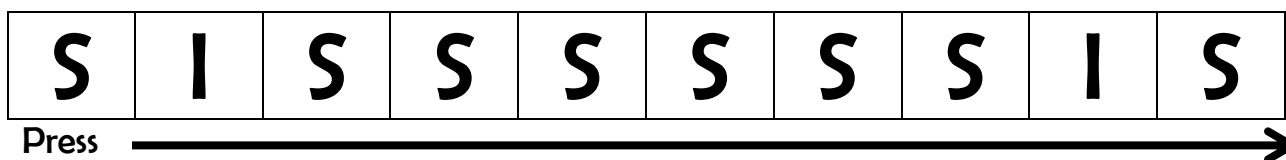

I = I-spy fabric
