

## Fast & Fun Fat Quarter Big Blocks

Quilt Size: 38" x 54"

Finished Block Size: 16" x 16"

Fabric	Yardage	Quantity	Size
6 Different Fat Quarters at least 17" x 21"	Cut Fat Quarters as shown in the diagram to the right. It should result in the following:	12 (A) pieces	10½" x 8½"
		12 (B) pieces	5½" x 8½"
		24 (C) pieces	2½" x 8½"
Accent and Inner Border	1/3 Yd. or 10½ inches	7 strips	1½" x 42"

- Attach the 8½" side of a (B) 5½" x 8½" piece to the 1½" Accent strip as shown. Continue for all 12 (B) pieces.
- Sew Step 2 units into pairs as shown, varying the arrangement of fabrics to make 6 blocks.

- Cut Step 1 into sections and attach to the 8½" side of each (A) 10½" x 8½" piece making sure to vary the fabric combinations. Make 12 units.

- Sew all 24 (C) 2½" x 8½" pieces end-to-end on the 2½" side varying the fabrics to make one long strip. You'll use this for the Outer Border.

- Attach blocks into 2 rows of 3 blocks each. Add Inner border to ends and sides (sides may take more than one strip). Use Step 4 strip to add an Outer Border to ends and sides as shown.
